AVENGER
YOUR JOURNEY BEGINS HERE
For both the first-time buyer and seasoned camping veteran, the economical Avenger often represents a customer’s first experience with a recreational vehicle from Prime Time Manufacturing.

Since first impressions are critical—and last a lifetime—we’ve insisted that Avenger combine comfort, convenience, and style with the industry’s highest standard of quality and construction. By providing a GREAT ownership experience, Avenger is Prime Time’s way of welcoming you to our family.

We hope that your future journeys will always include a Prime Time RV.

To guarantee that Avenger provides true customer satisfaction, our engineers carefully examine every component, every small detail, and every process in the Avenger’s creation.

It is important to offer industry-leading beauty. Shaker style cabinet doors are paired with premium fabrics, flooring, and countertops for a luxurious appearance.

“Best In Class” features and design elements are utilized to fully maximize customer enjoyment. Industry-leading construction and demanding standards for testing were developed to ensure long-term quality and durability.

If “Your Journey Begins Here,” Avenger is sure to please.
UVW (Unloaded Vehicle Weight) is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit’s axle(s) and tongue as equipped at the factory. UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity) is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is available after all fresh water, cargo and optional equipment has been loaded. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. Estimated average based on standard build optional equipment. See back page for additional specification definitions.

**AVENGER STANDARDS & OPTIONS**

**EXTENSION FEATURES**
- • Triple Seal Slide System
- • Baggage Doors
- • Premium Gutter Rail Above all Slides
- • Hurricane Strapped Base
- • Cross Band Construction

**EXTREME WEATHER PACKAGE**
- • Convenience Panels for Underbelly
- • Fresh Water Tank Steel Cage
- • SECURE TANK SYSTEM: PEX Plumbing System
- • R-7 Insulation Throughout
- • Aluminum Exterior Skin
- • 8’ Exterior Width
- • Full Length Outriggers on Frame
- • Deluxe Graphics Package
- • Designer Window Treatments
- • Gas/Electric DSI Water Heater
- • Pleated Black Out Night Shades
- • 10.7 CU. FT. 12V Refrigerator
- • Folding Grab Handle at Main Entry
- • Shower Surround
- • Stainless Steel Rolling Drying Rack
- • Thermofoil Seamless Kitchen Countertops
- • Sliding Barn Door (Select Floor Plans)

**10TH ANNIVERSARY PACKAGE**
- • Fully Enclosed Underbelly
- • Kitchen Backsplash
- • High Rise Kitchen Faucet
- • Large 17” Oven
- • LED Interior Lighting
- • “Solid Stance” Fold Down Steps
- • Back Up Camera Prep
- • Solar Prep
- • LED Lit Power Awning
- • Blue LED Outside Speakers
- • Exterior Hot/Cold Shower
- • Radial Tires
- • 5” LVL Headers Above Slideouts up to 24’ with 25 Year Warranty
- • Dynaspan 5/8” Seamless Floor Decking
- • Banded Construction
- • 2” Wall Construction on 16” Centers Cross- (MANDATORY)

**AVENGER ADVANTAGE PACKAGE**
- • Leak-Guard Assurance Process
- • Smoke Alarm
- • Fire Extinguisher
- • CO Detector
- • SAFETY EQUIPMENT
- • 31RKD)
- • Fireplace (28REI, 29QBS, 29RSL, and 32DEN and 32QBI)

**A RENEWED COMMITMENT TO QUALITY.**

When it comes to choosing an RV, customers demand quality. At Prime Time Manufacturing, we have renewed our commitment to product quality and customer satisfaction with our new **Customer Assurance Inspection (CAI)** process.

Before any RV can be cleared to leave our site, it must first pass a newly-developed, **rigorous 125-point checklist**. Our skilled technicians review every model from top to bottom, both inside and out. We check and double-check the entire unit, from water tanks to the electrical system, roof to underbelly, kitchen appliances and countertops—and everything in-between.

When you choose a Prime Time Manufacturing product, you can be assured that our enhanced commitment to quality has been developed with you in mind. **Choose quality. Choose Prime Time Manufacturing.**

**ADDITIONAL SPECIFICATIONS:**

**GVWR (Gross Vehicle Weight Rating)** - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do **NOT** exceed the GVWR.

**GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.
